To Whom This May Concern

Ref: RoHS and REACH
ARO Diaphragm Pumps and Accessories

To the best of our knowledge, ARO Diaphragm Pumps and the accessories do not contain any of the substances listed in the 2011/65/EU RoHS directive.

To the best of our knowledge, ARO Diaphragm Pumps and the accessories contains no SVHC from the 1907/2006/EC REACH regulation, the chemical list dated 12 January 2017.

We will reconsider our investigation when the candidate list is updated.

Feel free to contact me if you have any questions.

Best Regards,

Ingersoll Rand Company
